NEW BUSINESS

Funds for Survey Work, Richard Tyler, Historian. Mr. Tyler described briefly a grant-in-aid program being proposed by the Pennsylvania Historical and Museum Commission for survey work throughout the state. It will entail either a 50-50 or a 70-30 matching of funds, the 50 or 70 to come from the federal government. Moreover, the municipalities' contribution can assume the form of volunteer work. The Commission directed its Historian to pursue this through the Commissioner of Public Property.

There being no further business, the meeting adjourned at 4:30 P. M.

Respectfully submitted,

Patricia Siemiontkowski
Executive Assistant to the Chairman
