6 THE CLERK: Bill No.
7 250649, amending Section 12-701 of
8 The Philadelphia Code, entitled
9 "Designation of Bicycle Lanes" to
10 authorize a bicycle lane and
11 removal of a travel lane around
12 City Hall, under certain terms and
13 conditions.

14 COUNCILMAN YOUNG: Thank
15 you. Mr. Johnson, will you please
16 call the first witness to testify.

17 THE CLERK: Nicholas
18 Cole Appleman, Transportation and
19 Policy Analyst at the Office of
20 Transportation and Infrastructure
21 Systems.

22 (Witnesses approached
23 witness table.)

24 MR. APPLEMAN: Good

Committee on Streets & Services

1 morning, everybody.

2 COUNCILMAN YOUNG: Good
3 morning. Please state your name
4 for the record and proceed with
5 your testimony.

6 MR. APPLEMAN: Yes.
7 Cole Appleman, Transportation
8 Policy Analyst. Good morning,
9 Chairman Young and members of the
10 Streets and Services Committee.
11 Thank you for the opportunity to
12 appear before you here today. As I
13 did just mention, my name is Cole
14 Appleman. I'm a Transportation
15 Policy Analyst at the Office of
16 Transportation and Infrastructure
17 Systems, you know better as OTIS.
18 I'm here today to offer
19 testimony on Bill No. 250649,
20 sponsored by Councilmember Young.
21 This bill amends Title 12-701 of
22 The Philadelphia Code, titled
23 "Designation of Bicycle Lanes" to
24 authorize a bicycle lane and the

1 removal of a travel lane around
2 City Hall, of course, all under
3 certain terms and conditions.

4 This new stretch of bike
5 lane around City Hall has been a
6 welcomed addition to Philadelphia's
7 expanding bike lane network by
8 providing cyclists with dedicated
9 space on the roadway. We've
10 improved road safety for all users,
11 not just cyclists.

12 In the time leading up
13 to the installation of this bike
14 lane, OTIS had informed
15 stakeholders including the Center
16 City District, Councilmember Young
17 and Councilmembers, all of whom
18 expressed support for the project.
19 Since the lane has been
20 operational, OTIS has been in close
21 contact with Philadelphia Police to
22 monitor for incidents. I'm very
23 proud to say that no bike-related
24 crashes have been reported since

1 the installation of that bike lane
2 on JFK.

3 The parameters of the
4 bike lane are from JFK Boulevard,
5 from Broad to 15th. The design
6 team installed a bike lane that
7 extends to the pedestrian island at
8 15th and includes conflict markings
9 to heighten awareness of drivers
10 and cyclists at points where they
11 could possibly interact. Guidance
12 from the National Association of
13 City Transportation Officials, also
14 known as NACTO, and the Federal
15 Highway Administration tell us that
16 painted bike lanes mitigate bike-
17 on-vehicle conflicts, therefore
18 mitigate crashes.

19 Based on the last few
20 months of use, we are very happy to
21 report that the Penn Square area
22 has been made safer for all road
23 users since this lane has been
24 installed. Thank you for the

1 opportunity to appear before you
2 today. I'd be happy to answer any
3 questions.

4 COUNCILMAN YOUNG: Thank
5 you. Just for the record, I want
6 to note when this bill was
7 introduced, our office wanted to
8 take a look at the data to see how
9 the infrastructure would improve
10 safety for all users of the road as
11 well. Our city, in the history of
12 our city, has never had a bike lane
13 around City Hall. And I think we
14 wanted to give road users the
15 opportunity to get used to this
16 type of infrastructure.

17 But based on the data
18 that we've seen, I think that this
19 infrastructure is something that
20 has improved safety around Penn
21 Square area. So I just want to
22 note that on the record.

23 Are there any questions
24 of this bill from any members of

Committee on Streets & Services

1 the committee?

2 (No response.)

3 COUNCILMAN YOUNG:

4 Seeing none, thank you, Cole.

5 Mr. Johnson, would you
6 please read the title of the next
7 bill.

8 THE CLERK: Bill No.
9 260609, amending Section 12-701 of
10 The Philadelphia -- I'm sorry,
11 Chairman.

12 COUNCILMAN YOUNG: I
13 think it's 2 -- we're doing --

14 THE CLERK: I was right.
15 Bill No. 260609, amending Section
16 12-701 of The Philadelphia Code,
17 entitled "Designation of Bike
18 Lanes" to authorize a bicycle lane
19 and removal of parking on Roberts
20 Avenue from Henry Avenue to King
21 Street, under certain terms and
22 conditions.

23 COUNCILMAN YOUNG: Thank
24 you, Mr. Johnson. Would you please

Committee on Streets & Services

1 call the witnesses to testify on
2 this bill.

3 THE CLERK: Nicholas
4 Cole Appleman, Transportation
5 Policy Analyst at the Office of
6 Transportation and Infrastructure
7 Systems.

8 COUNCILMAN YOUNG: Good
9 morning. Please state your name
10 again for the record and proceed
11 with your testimony.

12 MR. APPLEMAN:
13 Absolutely. Cole Appleman, Office
14 of Transportation and
15 Infrastructure Systems. Good
16 morning again, Chairman Young and
17 members of the Streets and Services
18 Committee. Thank you again for the
19 opportunity to appear before you
20 today. As previously stated, my
21 name is Cole Appleman. I am a
22 Transportation Policy Analyst at
23 the Office of Transportation and
24 Infrastructure Systems, aka OTIS.

Committee on Streets & Services

1 I'm here today to offer testimony
2 on Bill No. 260609, sponsored by
3 Councilmember Jones.

4 This bill amends the
5 Title 12-701 of The Philadelphia
6 Code, entitled "Designation of
7 Bicycle Lanes" to authorize a
8 bicycle lane on Roberts Ave from
9 Henry Avenue to King Street -- yes,
10 to King Street, and make the
11 associated changes to remove a
12 travel lane within the same limits,
13 all under certain terms and
14 conditions.

15 This project will remove
16 parking on the south side of
17 Roberts from Henry Ave up until Fox
18 Street. And then from on both
19 sides, from Fox Street to King
20 Street, once again terminating at
21 Wissahickon Ave. This endeavor is
22 the result of engagement with the
23 community and with City Council to
24 ensure that the community's opinion

Committee on Streets & Services

1 is heard and that their needs are
2 met.

3 OTIS staff has met with
4 several community organizations,
5 including the Friends of Fern Hill
6 Park, Southwest Germantown
7 Neighbors Association and the
8 Wissahickon Charter School, and of
9 course, Councilman Jones himself,
10 all of whom -- well, Councilman
11 Jones approved. All those other
12 groups did write letters of
13 support.

14 In summary, this
15 implementation of this legislation
16 will improve traffic safety for all
17 users on the corridor. Thank you
18 very much again for the opportunity
19 to appear before you today. I'll
20 take any questions you have at this
21 time.

22 COUNCILMAN YOUNG: Thank
23 you. I do have a question. I'm a
24 little familiar with this area.

Committee on Streets & Services

1 How would this bike lane interact
2 with those exiting off of Route 1?

3 MR. APPLEMAN: So the
4 original project -- first of all,
5 the bike lane does already exist.
6 I would like to clarify that this
7 is adding some additional buffer
8 space. So the bike lane is already
9 there. The original version of
10 this project did move up to Route
11 1, but now the additional buffer
12 space is terminating at Wissahickon
13 Ave. It's been fixed since or
14 adjusted rather.

15 COUNCILMAN YOUNG: Thank
16 you.

17 Are there any other
18 questions from members of the
19 committee?

20 (No response.)

21 COUNCILMAN YOUNG:
22 Seeing none, thank you for your
23 testimony.

24 Is there anyone else in

Committee on Streets & Services

1 chambers wishing to testify on Bill
2 260609, and I failed to say 250649,
3 as well as anyone else wishing to
4 testify on those bills?

9 proposed planners and sidewalk
10 cafe, as it will leave a minimum of
11 10 feet 6 inches of clear,
12 unobstructed footway. This
13 concludes my testimony. I'm
14 pleased to answer any questions you
15 may have.

16 COUNCILMAN YOUNG: Thank
17 you so much.

18 Ms. Chiu, please state

16 This ordinance amends
17 Section 9-28 of The Code by
18 expanding the permitting of
19 sidewalk cafes to be maintained by
20 right in the 4th Council District.
21 Sidewalk cafes consist of placing
22 only tables and chairs on the
23 public right-of-way. Under this

1 permitted by-right along both sides
2 of 54th Street from City Avenue to

12 Art Commission.

13 Maintaining accessible,
14 walkable right-of-way is important

17 latest public right-of-way
18 accessibility guidelines and
19 federal regulations. Thank you for
20 the opportunity to appear before

Committee on Streets & Services

1 bill would allow sidewalk cafes
2 by-right within the specified area
3 as long as they meet the
4 regulations?

6 COUNCILMAN YOUNG: Okay.

7 Thank you.

8 Are there any other
