2 Recovery Act.

3 COUNCIL PRESIDENT CLARKE:

4 Referred to committee.

5 CHIEF CLERK: And on his own

6 behalf, Councilman Green offers an

7 ordinance signifying the intention of the

8 City of Philadelphia to organize the

9 Philadelphia Public Banking Authority

10 pursuant to authority established under

11 state law.

12 COUNCIL PRESIDENT CLARKE: The

13 Chair recognizes Councilman Green.

14 COUNCILMAN GREEN: Thank you,

15 Mr. President, for the opportunity to say

16 a few words.

17 COUNCIL PRESIDENT CLARKE:

18 Councilman Green, can you hold on a

19 second.

20 Can somebody mute. Can I ask

21 the members to mute, please. Thank you.

22 Councilman Green, please

23 proceed.

24 COUNCILMAN GREEN: Thank you,

25 Council President. Thank you for the

1       1/28/21 - STATED - INTRO. OF BILLS  
2       opportunity to speak on this bill to be  
3       introduced today.

4               Many of my colleagues and  
5       others know that I started my career as a  
6       small business lender with Meridian Bank  
7       at Broad and Glenwood in North  
8       Philadelphia. It's funny because for a  
9       number of years while I was there, people  
10      would not call me Derek. They would call  
11      me the Meridian Man because I worked at  
12      Meridian in the Garment Square District  
13      of North Philadelphia.

14             But it was during that time  
15      that I really got a real understanding of  
16      the issues of redlining and the access to  
17      credit and how so many businesses in that  
18      community and communities around the City  
19      of Philadelphia were not able to grow  
20      because of historical issues of systemic  
21      racism and just challenges in getting  
22      credit. And I met a lot of small  
23      business owners, small business owners  
24      like my father-in-law, who is no longer  
25      with us, Ned Mitchell, also known as

1 1/28/21 - STATED - INTRO. OF BILLS

2 Mitch, who started his career working at  
3 Cadillac as a mechanic and then was able  
4 to open a gas station at 20th and  
5 Indiana, and just having an understanding  
6 and talking with him over the years and  
7 seeing the challenges he had in trying to  
8 grow his business, just like so many  
9 small business owners in the City of  
10 Philadelphia.

11 And as we look at the issue of  
12 this pandemic and some of the issues and  
13 some of the data and news reports we've  
14 seen, I know WHYI talked about pre-COVID,  
15 how less than one-third of black  
16 businesses had any relationships with  
17 banks. Also only about 12 percent of  
18 black businesses even went to an SBA in  
19 order to get loans.

20 And then here in the City of  
21 Philadelphia, we saw a recent study by  
22 the Center City District looking at  
23 business density and the role of black  
24 and minority-owned businesses. And  
25 according to the census, Philadelphia has

1       1/28/21 - STATED - INTRO. OF BILLS  
2       one of the lowest, if not the lowest,  
3       number of black-owned firms in relation  
4       to black residents in the nation, and  
5       that also correlates to the lowest number  
6       of businesses in relation to the overall  
7       population.

8               So this has been an issue in  
9       our city historically, and even now the  
10      President of the U.S. Black Chambers, Ron  
11      Busby, said that access to credit is the  
12      number one issue that's limited  
13      businesses in being able to grow.

14             And so from my perspective  
15      based on this history, I thought this  
16      idea of a public bank is an opportunity  
17      to address that issue, and having the  
18      City take a more active role in helping  
19      businesses, especially small businesses,  
20      especially businesses of color and  
21      principally African American-owned  
22      businesses, get access to credit. And I  
23      think the City needs to take a more  
24      active role in helping these businesses  
25      to grow, and as these businesses grow,

1        1/28/21 - STATED - INTRO. OF BILLS  
2        that creates opportunities for jobs and  
3        opportunities for us as a city to address  
4        poverty.

5                I want to thank my colleagues  
6        in Council. We've had 11 co-sponsors to  
7        this legislation. And this legislation  
8        is something that I've been working on  
9        for some time, from the hearings we had  
10       during my first term about this idea, to  
11       the fact working with the Administration  
12       where we hired a national consultant to  
13       do a study talking about the benefits of  
14       a public bank, having hearings on that  
15       report, and then more recently working  
16       with the Law Department and the  
17       Treasurer's Office in drafting today's  
18       legislation.

19               So we still have additional  
20       work to go in reference to this  
21       legislation being passed. I'm looking  
22       forward to a very robust conversation  
23       with a number of stakeholders. I want to  
24       thank all of the grassroots,  
25       community-based organizations who helped

1        1/28/21 - STATED - INTRO. OF BILLS  
2        to put forward and help us draft this  
3        legislation and bring a number of people  
4        into this coalition regarding this issue,  
5        and look forward to a way and this  
6        legislation coming to fruition so we can  
7        help business owners like Mitch be able  
8        to grow and provide jobs and reduce  
9        poverty for the benefit of our city.

10                Thank you, Council President.

11                COUNCIL PRESIDENT CLARKE:

12        Thank you, Councilman.

13                That bill will be referred to  
14        the appropriate committee.

15                Mr. Decker, you are muted.

16                CHIEF CLERK: Sorry. I  
17        apologize, Mr. President.

18                Councilman Green also offers an  
19        ordinance amending Chapter 19-200 of The  
20        Philadelphia Code, entitled "City Funds -  
21        Deposits, Investments, Disbursements," by  
22        amending Section 19-201, entitled "City  
23        Depositories," by authorizing the City  
24        Treasurer to deposit funds in Santander  
25        Bank, National Association.

1 1/28/21 - STATED - INTRO. OF BILLS

2 COUNCIL PRESIDENT CLARKE: That  
3 will be referred to the appropriate

5 CHIEF CLERK: Councilwoman  
6 Brooks offers one resolution, entitled a  
7 "Resolution authorizing the Committee on  
8 Children and Youth to conduct hearings  
9 examining the relationship between the  
10 property tax exemption for wealthy  
11 non-profits on the School District's  
12 budget and the resulting environmental

17 will be on today's Calendar.

19 Philadelphia.

20 COUNCIL PRESIDENT CLARKE: Next  
21 week's Calendar.

22 CHIEF CLERK: Councilman  
23 O'Neill offers two resolutions. On  
24 behalf of the Council President,  
25 Councilman O'Neill offers a resolution

1       1/28/21 - STATED - INTRO. OF BILLS  
2       authorizing the creation of a Zoning Code  
3       Review Commission to evaluate and  
4       recommend improvements to Philadelphia's  
5       Zoning Code.

6               COUNCIL PRESIDENT CLARKE: And  
7       that will be referred to committee.

8               Was that a resolution, Mike?

9               CHIEF CLERK: It's authorizing  
10      the creation of a Zoning Code Review  
11      Commission, Mr. President.

12              COUNCIL PRESIDENT CLARKE:  
13      Okay. We'll actually put that on next  
14      week's Calendar.

15              CHIEF CLERK: On his own  
16      behalf, Councilman O'Neill offers a  
17      resolution recognizing and honoring Paul  
18      Deegan on his retirement, after more than  
19      30 years of service to PIDC and more than  
20      45 total years of service to the City of  
21      Philadelphia.

22              COUNCIL PRESIDENT CLARKE: And  
23      that will be on next's week Calendar.

24              CHIEF CLERK: Councilman  
25      Squilla offers one resolution authorizing

1       1/28/21 - STATED - INTRO. OF BILLS  
2       the Philadelphia Redevelopment Authority

6       the First Councilmanic District.

7               COUNCIL PRESIDENT CLARKE: Next  
8       week's Calendar.

9               CHIEF CLERK: Councilwoman Bass  
10       offers four resolutions, entitled a  
11       "Resolution authorizing the Committee on  
12       Public Health and Human Services to hold  
13       hearings to investigate the City's  
14       vaccine contracting process, including an  
15       examination of Philly Fighting COVID's

17              COUNCIL PRESIDENT CLARKE:  
18       Today's Calendar.

19              CHIEF CLERK: And a resolution  
20       supporting --

21              COUNCIL PRESIDENT CLARKE:  
22       Councilwoman, did you want to be  
23       recognized?

24              COUNCILWOMAN BASS: Yes. I'm  
25       sorry. I'd like to be recognized.

1 1/28/21 - STATED - INTRO. OF BILLS

2 COUNCIL PRESIDENT CLARKE: The  
3 Chair recognizes Councilwoman Bass.

4 COUNCILWOMAN BASS: Thank you,  
5 Mr. President. This is a moment in  
6 Philadelphia history to be remembered,  
7 but for all of the wrong reasons - a  
8 global pandemic, over 429,000 Americans  
9 dead and right here in Philadelphia over  
10 2,800.

11 A vaccination process that is  
12 expected to be of the highest of  
13 standards after the most thorough vetting  
14 and then being selected by a city branded  
15 as a city of eds and meds and to have  
16 been selected -- or to have selected an  
17 unknown and unproven entity for a  
18 contract of over \$100,000 for testing and  
19 then to be given the green light for a  
20 massive operation at the Philadelphia  
21 Convention Center, without doing our  
22 homework, is absolutely unacceptable.  
23 That this has happened calls our  
24 attention to what everyone knows was a  
25 hookup, and we demand answers - who,

1 1/28/21 - STATED - INTRO. OF BILLS

2 when, how, why. More needs to be known.

3 When I think of the  
4 unprecedented amount of security --  
5 excuse me; of scrutiny that was put upon  
6 the Black Doctors Consortium in the  
7 earliest days of the pandemic, I am  
8 outraged. The difference in treatment is  
9 yet another stark reminder of racism at  
10 work when it comes to the treatment of  
11 some versus others.

12 Over the years, I can't even  
13 remember the number of times I've sat at  
14 a board meeting or other meeting and the  
15 need to hire came up, only to be  
16 addressed by saying we want to hire  
17 someone of color, but they have to be  
18 qualified, as if a recommendation will be  
19 made to replace someone with another that  
20 is unquestionably unqualified. It really  
21 just makes my blood boil.

22 We owe more to our communities.  
23 I look forward to hosting this hearing.  
24 We really owe those in our communities  
25 who have a mistrust of the medical

1       1/28/21 - STATED - INTRO. OF BILLS  
2       community, we owe them an explanation,  
3       and we owe all citizens and taxpayers an  
4       explanation as to how this could happen.

5               Thank you, Mr. President.

6               COUNCIL PRESIDENT CLARKE:

7       Thank you, Councilwoman.

8               And, again, that will be  
9       referred to committee.

10              COUNCILWOMAN BASS: Thank you.

11              COUNCIL PRESIDENT CLARKE:

12       You're welcome.

13              CHIEF CLERK: And a resolution  
14       supporting House Resolution 25, which  
15       would initiate investigations and call  
16       for the sanction, including removal from  
17       the House of Representatives, of members  
18       who sought to overturn the 2020  
19       Presidential election.

20              COUNCIL PRESIDENT CLARKE: And  
21       that will be on next week's Calendar.

22              CHIEF CLERK: And a resolution  
23       honoring and recognizing Dr. Kizzmekia  
24       Corbett for her leadership and  
25       achievement on the National Institutes of

1 1/28/21 - STATED - INTRO. OF BILLS

2 Health's COVID-19 vaccine research.

3 COUNCIL PRESIDENT CLARKE: And  
4 that will be on next week's Calendar.

5 CHIEF CLERK: And a resolution  
6 honoring and recognizing Stacey Abrams  
7 for her leadership as the founder of Fair  
8 Fight Action and The New Georgia Project,  
9 and her achievement in fighting voter  
10 suppression.

11 COUNCIL PRESIDENT CLARKE: Next  
12 week's Calendar.

13 CHIEF CLERK: Councilman Oh  
14 offers one bill and three resolutions,  
15 entitled "An ordinance amending Title 19  
16 of The Philadelphia Code, entitled  
17 'Finance, Taxes And Collections,' by  
18 adding three new definitions to Section  
19 19-1501 and adding a new Section 19-1507,  
20 entitled 'Student Debt Tax Credit.'"

21 COUNCIL PRESIDENT CLARKE: That  
22 will be referred to committee.

23 CHIEF CLERK: And a resolution  
24 authorizing hearings in Council's  
25 Committee on Public Health and Human

1       1/28/21 - STATED - INTRO. OF BILLS  
2       Services to assess citywide compliance of  
3       Bill No. 200306, which mandates  
4       healthcare workers receive paid leave  
5       should they become infected with the  
6       novel coronavirus.

7               COUNCIL PRESIDENT CLARKE:  
8       Today's Calendar.

9               CHIEF CLERK: And a resolution  
10      calling for a public hearing to examine  
11      the City of Philadelphia's compliance  
12      with the Pennsylvania Firefighter Cancer  
13      Presumption Act.

14              COUNCIL PRESIDENT CLARKE:  
15      Today's Calendar.

16              CHIEF CLERK: And a resolution  
17      honoring and celebrating the legendary  
18      record label, Philadelphia International  
19      Records, on the occasion of their 50th  
20      Anniversary.

21              COUNCIL PRESIDENT CLARKE: And  
22      that will be on next week's Calendar.

23              CHIEF CLERK: There are no  
24      other bills or resolutions being offered  
25      by the members, Mr. President.

1 1/28/21 - STATED - BILLS ON 2ND READING

2 COUNCIL PRESIDENT CLARKE:

3 Thank you very much, Mr. Decker.

4 That concludes our introduction  
5 of bills and resolutions.

6 There are no reports from  
7 committee today, so our next order of  
8 business is the consideration of the  
9 Calendar.

10 There being no bills on the  
11 First Reading Calendar, the Chair  
12 recognizes Councilwoman Parker for the  
13 purpose of calling up resolutions and  
14 bills on the Second Reading and Final  
15 Passage Calendar.

16 COUNCILWOMAN PARKER: Thank  
17 you, Mr. President. The following  
18 resolutions and bills are being called up  
19 from the Second Reading and Final Passage  
20 Calendars today. They are Nos. 200719,  
21 200720, 200722, 200723, 200724, 200725,  
22 200726, and 200728. All other bills and  
23 resolutions are being held,  
24 Mr. President.

25 COUNCIL PRESIDENT CLARKE:

1 1/28/21 - STATED - PUBLIC COMMENT

2 Thank you very much, Councilwoman.

3 We will now move to our public  
4 comment session. I think we will only  
5 need a brief moment to pause to allow our  
6 technology professionals some time to  
7 connect the speakers we have for today's  
8 meeting.

9 We'll take like two minutes, it  
10 should take.

11 (Brief pause.)

12 COUNCIL PRESIDENT CLARKE:

13 Thank you very much. Now that everyone  
14 is connected to the meeting and before  
15 considering the resolutions and bills we  
16 have before us today, we will consider  
17 the public comment session. It will go  
18 as follows:

19 Public comment must concern  
20 matters on the Second Reading and Final  
21 Passage Calendars for possible action at  
22 a session of Council. A speaker on any  
23 of those matters must sign up in order to  
24 testify. You must call 215-686-3406 by  
25 3:00 p.m. the day before the session to

1        1/28/21 - STATED - PUBLIC COMMENT

2        sign up for public comment.

3                When you call, we will take  
4        your name, phone number, the number of  
5        the legislative item you are commenting  
6        on, and whether you are in support or  
7        against the legislation and add you to  
8        the list. We will telephone each person  
9        on the list during the Council session  
10       and invite them to our remote meeting.

11               Under ideal circumstances, you  
12       will have three minutes to speak. So  
13       today you actually have three minutes to  
14       speak, because this is ideal  
15       circumstances. We don't have a  
16       significant number of people.

17               So a timer will be started. We  
18       will monitor your remaining time  
19       throughout your testimony, and when there  
20       are 30 seconds remaining, it will be your  
21       time and you will be reminded of this.  
22       Once your allotted time has passed, you  
23       will be asked to conclude your remarks.  
24       Shortly thereafter, you will be muted and  
25       disconnected from the remote meeting.

1           1/28/21 - STATED - PUBLIC COMMENT

2                   I also reserve the right to  
3   limit the number of speakers where  
4   repetitious comments are being made on  
5   the same matter and to limit the scope of  
6   testimony to only certain items on the  
7   agenda during the emergency, which could  
8   affect callbacks for public comment at  
9   the meeting.

10                Please be aware that this  
11   public meeting is being recorded.  
12   Because the meeting is public,  
13   participants and viewers have no  
14   reasonable expectation of privacy. So by  
15   continuing to be in the meeting, you are  
16   consenting to being recorded.

17                I will now ask the Chief Clerk  
18   please read the name of our first  
19   speaker.

20                   CHIEF CLERK: Gabriella Nicole  
21   Rodriguez DeJesus.

22                   COUNCIL PRESIDENT CLARKE: Good  
23   morning.

24                   MS. DeJESUS: Good morning,  
25   Council President.

1 1/28/21 - STATED - PUBLIC COMMENT

2 COUNCIL PRESIDENT CLARKE: Just  
3 state your name for the record and  
4 proceed with your testimony.

5 MS. DeJESUS: My name is  
6 Gabriella Nicole Rodriguez DeJesus. I  
7 want to thank the Council for allowing me  
8 to speak today. I want to thank my  
9 District Councilmember, Mark Squilla, for  
10 sponsoring this resolution, and I want to  
11 thank Councilwoman Maria Quinones for  
12 introducing this resolution.

13 I'm speaking on behalf of her  
14 resolution in support of the Puerto Rico  
15 (connection issue). This resolution is  
16 an example of non-partisan not only in  
17 the U.S. but in PR as well. It is an  
18 honest accounting of the island's history  
19 and its problematic colonial  
20 relationship.

21 As stated in the resolution,  
22 Puerto Rico has multiple non-binding  
23 referendum but with irregularities and  
24 low turnout, only to be used as a  
25 political football between parties. Only

1        1/28/21 - STATED - PUBLIC COMMENT  
2        the Puerto Rican people can decide, but  
3        only Congress has the power to  
4        acknowledge it. It is clear that  
5        previous attempts by the statehood party  
6        to settle this status dispute have  
7        failed.

8                The latest private site is an  
9        example with the statehood vote-winning  
10       margin being less than the 40,000  
11       intentionally left blank ballots.

12               Bottom line, there is no  
13       consensus. This bill, HR 8113, should be  
14       supported because it is the only  
15       non-partisan and unbiased option  
16       presented in Congress at this time. It  
17       does not attempt to force one specific  
18       outcome or decision, and allows the  
19       island the opportunity to make a binding  
20       decision that has not been arranged by a  
21       single party.

22               Support Puerto Ricans by  
23       letting us decide our future after  
24       500 years of colonialism.

25               Thank you so much. I yield my

2   time.

3           COUNCIL PRESIDENT CLARKE:

19                  COUNCILMAN DOMB: Thank you,  
20 Council President. This is pretty  
21 amazing that in Philadelphia we have the  
22 two doctors who were able to develop the  
23 solution for these pharmaceutical  
24 companies to get the vaccine. We should  
25 all be like so proud of that. It's kind

1           1/28/21 - STATED - 2ND READING

2       of amazing that Philadelphia is the  
3       reason why these vaccines are out there.  
4       It's amazing to me, and we should all be  
5       very proud.

6                   Now what we need to do, as  
7       Councilmember Bass and all of us feel, is  
8       make sure we get the right vaccines and  
9       get them distributed, because we're  
10      really the reason why the vaccine is  
11      available. We just have to make sure  
12      they come out.

13                  And with that, Council  
14      President, I move for the adoption of  
15      this resolution.

5           COUNCIL PRESIDENT CLARKE:

6 Thank you very much.

7           That concludes our Calendar for  
8 today, and we will move to our speeches.

9           Prior to recognizing members  
10 regarding speeches, I will note for the  
11 record at this time we will use the Chat  
12 feature available in Microsoft Teams to  
13 allow members to signify that they wish  
14 to be recognized. In order to comply  
15 with the Sunshine Act, the Chat feature  
16 must only be used for this purpose.

17           With that said, are there any  
18 speeches on behalf of the minority?

19           With that, the Chair recognizes  
20 Councilwoman Brooks.

21           COUNCILWOMAN BROOKS: Can you  
22 guys hear me? I'm having --

23           COUNCIL PRESIDENT CLARKE: Yes.

24           COUNCILWOMAN BROOKS: --  
25 connectivity issues.

1           1/28/21 - STATED - SPEECHES

2           Thank you, Council President.

3   I want to say a few words to mark our  
4   first Council session back.

5           As we know all too well, there  
6   is no shortage of problems facing  
7   Philadelphians today, from the  
8   devastating toll of the raging pandemic,  
9   the gun violence epidemic and the opioid  
10   crisis, to the Controller's recent report  
11   on the police response to civil unrest,  
12   the safety and well-being in our  
13   neighborhoods, and our people must remain  
14   our top priority.

15          We also know that there's no  
16   easy solutions. We need our young people  
17   to return to school, but we can only do  
18   so if there's safety and the safety of  
19   school staff is guaranteed. We need to  
20   protect our workers as our local economy  
21   continues to open back up, which includes  
22   adequate paid sick leave for all. And we  
23   need an organized, robust, accessible  
24   vaccine operation citywide that  
25   prioritizes communities and neighborhoods

1           1/28/21 - STATED - SPEECHES

2   that have been hit the hardest by the  
3   pandemic.

4           Despite these challenges, I am  
5   hopeful. We have seen positive messaging  
6   coming from President Biden that he will  
7   do what we did in Philadelphia, expand  
8   sick leave, remove exemptions, and  
9   protect all front-line workers.

10          We as a Council body are united  
11   in our commitment to understanding what  
12   mistakes led to the failure of Philly  
13   Fighting COVID and working with the  
14   Administration to swiftly correct,  
15   strengthen, and expand our city's  
16   vaccination efforts, and we are seeking  
17   an unprecedented level of collaboration  
18   and dedication to the issue of gun  
19   violence and community safety. Just the  
20   other day, my office held a meeting that  
21   brought together criminal, legal reform  
22   advocates, and violence prevention  
23   leaders, groups that usually operate in  
24   isolation. This kind of collaboration is  
25   what's needed in this moment. It

1           1/28/21 - STATED - SPEECHES

2       requires everyone coming to the table to  
3       stop the violence in our streets and will  
4       require bold solutions and new ideas to  
5       create real safety in our communities,  
6       safety that we can feel.

7           There's no doubt that we have  
8       our work cut out for us and that budget  
9       shortages will continue to pose a  
10      challenge as we address these issues.  
11      That is why today I introduced a  
12      resolution to hold hearings on Payment in  
13      Lieu of Taxes, or PILOTs, as a way for  
14      the City to generate additional revenue  
15      that does not place the burden on working  
16      people. We have to make sure that  
17      everyone is paying their fair share.

18           And as we look towards the  
19      possibility of schools reopening, we must  
20      prioritize our students who have  
21      experienced unmeasurable losses this past  
22      year. If we make our buildings safe and  
23      support our students, we need funding to  
24      do so.

25           So I want to say welcome back

1           1/28/21 - STATED - SPEECHES

2   to my colleagues. We have a new  
3   administration in the White House. We  
4   are beginning a new Council session, and  
5   today is a new day. And to the viewing  
6   public, I want to say we see you and  
7   we're fighting for you.

8           Thank you so much, Council  
9   President.

10           COUNCIL PRESIDENT CLARKE:

11   Thank you, Councilwoman.

12           The Chair recognizes Councilman  
13   Oh.

14           COUNCILMAN OH: Thank you very  
15   much, Council President. First, I wanted  
16   to thank Councilwoman Bass for her  
17   introduction of the resolution. I have  
18   heard so much, as we all have, just how  
19   bizarre and strange and confusing it is,  
20   frustrating for people. They cannot  
21   understand what's going on with this  
22   vaccine, and for all the healthcare  
23   workers and everyone who struggled with  
24   this, and I've been contacted by people  
25   who said I've gotten my first shot and I

1           1/28/21 - STATED - SPEECHES

2    need to get my second, how do I do it. I  
3    have no explanation for them, other than  
4    we're going to look into this, and people  
5    want to have this fixed as soon as  
6    possible.

7           I also want to thank her for  
8    co-sponsoring my two resolutions for  
9    hearings in front of Public Health, and  
10   the reason I did that is because  
11   unfortunately over our break, I posted  
12   some information about the Healthcare  
13   Workers Protection Law signed into law by  
14   Mayor Kenney, unanimously passed by this  
15   Council protecting healthcare workers who  
16   contracted COVID-19. To my surprise, I  
17   had so many e-mails and responses that  
18   they were being forced to use their  
19   vacation time, use their sick days. They  
20   weren't being treated. They were on  
21   their own for healthcare. And there  
22   seems to be a lot of confusion or just a  
23   lack of knowledge by healthcare providers  
24   what the law is in Philadelphia, and so  
25   that is a hearing we're going to have.

1           1/28/21 - STATED - SPEECHES

2           Simultaneously Jenice Armstrong  
3 wrote in the Inquirer about the  
4 Pennsylvania Cancer Presumption for  
5 Firefighters, and from that, I also heard  
6 from other firefighters that are very  
7 concerned. Quite frankly, they're  
8 expressing that they are not -- there is  
9 not a compliance with this Cancer  
10 Presumption. I don't know. I take what  
11 they say seriously. I believe what  
12 they're saying. We need to look into  
13 this as well.

14           And, finally, I'm just going to  
15 say that I was really, as all of us,  
16 really just disturbed by the story that  
17 came out that exposed sexual harassment,  
18 racial discrimination, just the workplace  
19 abuses at the national level of CBS, not  
20 our local station here, not the parent  
21 company. And we were very just  
22 disheartened to read about insults and  
23 disparaging comments directed towards  
24 Ukee Washington, just a class act of a  
25 person, a person of integrity, just

1           1/28/21 - STATED - SPEECHES

2   really one of the staples of Philadelphia  
3   media who we all respect. We all in this  
4   Chamber had an opportunity to meet him  
5   over the years. What a gentleman, what a  
6   positive figure. What a terrible thing  
7   to do to this gentleman.

8           Anyway, because of the  
9   technicalities of virtual, I learned  
10   about it too late to get onto this  
11   Council session Calendar, but I have  
12   distributed a resolution standing with  
13   him and all other employees who are  
14   subject to that kind of mistreatment, and  
15   I look forward to that being voted on  
16   next week.

17           Thank you very much, Council  
18   President.

19           COUNCIL PRESIDENT CLARKE:

20   Thank you, Councilman.

21           Speeches on behalf of the  
22   majority?

23           I'd like to recognize  
24   Councilwoman Gilmore Richardson.

25           COUNCILWOMAN RICHARDSON: Thank

1           1/28/21 - STATED - SPEECHES

2    you, Mr. President. I rise today with  
3    much consternation and in complete and  
4    utter dismay over the atrocious set of  
5    circumstances we all have been apprised  
6    of related to our City's Health  
7    Department and the dubious partnership  
8    with Philly Fighting COVID, a novice  
9    organization run by a student with no  
10   medical training or certifications.

11           First, I want to acknowledge  
12   Mayor Kenney, Dr. Farley, and all the  
13   hard-working staff members who have been  
14   balancing the demands and responses to  
15   multiple, ongoing, unprecedented crises  
16   all at once. What we all have  
17   collectively gone through over the past  
18   year would be challenging at best under  
19   the best of circumstances. I want to  
20   recognize that and acknowledge it.

21           But, Mr. President, over the  
22   past few days as the stories continue to  
23   unfold about the multiple mishaps of the  
24   student-run organization, including  
25   Mr. Doroshin's recent admission that he

1 1/28/21 - STATED - SPEECHES

2 took vaccines home and administered them  
3 to friends, despite not having a medical  
4 certification or permission to do so, and  
5 then allegedly posting the video of the  
6 act on Snapchat, I could not help but  
7 wonder, as all my church mothers used to  
8 say, how they got over. How did a group  
9 led by a college student with no medical  
10 experience and no track record of  
11 providing medical services anywhere get  
12 the responsibility of overseeing a part  
13 of our city's vaccine distribution at one  
14 of the largest buildings in our city?

15 Before I could fully grasp the  
16 complexities of the multiple mishaps,  
17 first I had to press the rewind button.  
18 I distinctly remember last year, on  
19 May 7th, 2020 to be exact, I submitted a  
20 letter to Mayor Kenney signed by 12 of my  
21 colleagues here in Council urging him to  
22 direct resources to the Black Doctors  
23 COVID-19 Consortium to assist the testing  
24 operations they independently established  
25 to fill a need and void of testing in

1           1/28/21 - STATED - SPEECHES

2   communities most impacted by COVID-19,  
3   communities who desperately needed  
4   testing, the Black Doctors COVID-19  
5   Consortium founded and run by  
6   Board-certified pediatric surgeon Dr. Ala  
7   Stanford and her team of dedicated  
8   medical professionals.

9           Dr. Stanford worked to recruit  
10   volunteer doctors, nurses, and other  
11   healthcare workers to set up COVID-19  
12   testing sites all across the City,  
13   partnered with trusted community anchor  
14   organizations with significant  
15   credibility in black and brown  
16   communities.

17           So why is that important?  
18   Black and brown people have been  
19   disproportionately impacted by this  
20   virus, not only by higher rates of  
21   infection and mortality but also  
22   economically. All of us have struggled  
23   with this pandemic, but black and brown  
24   communities continue to be most adversely  
25   impacted by COVID-19 and less likely to

1           1/28/21 - STATED - SPEECHES

2    trust getting the vaccine.

3           On May 27th, 2020, this body's  
4    advocacy continued. Our Majority Leader,  
5    Councilwoman Cherelle L. Parker,  
6    passionately questioned Dr. Farley on how  
7    other organizations received contracts to  
8    perform testing and contact tracing on  
9    behalf of the City while the Black  
10   Doctors COVID-19 Consortium tested a  
11   record number of Philadelphians and still  
12   had not received support from the City.

13           Dr. Farley had clearly reviewed  
14   the proposal submitted by the Black  
15   Doctors, because he thought their  
16   proposal was high. As our Appropriations  
17   Chair, Councilmember Maria  
18   Quinones-Sanchez, said in her response to  
19   his criticism, how dare a black group ask  
20   for \$7 million.

21           It was not until July 1st that  
22   the Administration contracted with the  
23   Black Doctors COVID-19 Consortium.

24           In a city where -- and I want  
25   everybody to hear me very clearly --

1 1/28/21 - STATED - SPEECHES

2 white privilege, institutional racism,  
3 generational poverty, and lack of  
4 inclusion have been the standard  
5 experience for African Americans, who are  
6 the majority of our city's population,  
7 you would think the City would jump at  
8 the opportunity to expand testing for the  
9 most vulnerable while increasing economic  
10 opportunity for a minority and  
11 woman-owned organization.

12 Regrettably, Mr. President, the  
13 Philly Fighting COVID debacle clearly  
14 shows the Administration still does not  
15 value the work of the Black Doctors  
16 COVID-19 Consortium.

17 When we are only one of five  
18 cities in the country who have been  
19 entrusted to receive vaccines directly  
20 instead of relying on the distribution of  
21 our state, it is astonishing that the  
22 Administration seemingly handed the  
23 responsibility over to a 22-year-old  
24 graduate student with no healthcare or  
25 real professional experience at all.

1           1/28/21 - STATED - SPEECHES

2           This city has a dismal track  
3 record with supporting black and brown  
4 businesses with and through its  
5 contracting process. Legacy vendors are  
6 relied on repeatedly to provide services  
7 regardless of performance, and they can  
8 be more cost competitive because they  
9 have the infrastructure and the resources  
10 already in place that businesses looking  
11 to build capacity often don't.

12           Department commissioners and  
13 directors have discretion on their  
14 contracting, and despite policies that  
15 allegedly require the use of a racial  
16 equity lens, there have been no  
17 significant changes and no actual  
18 requirements to issue contracts  
19 differently.

20           Businesses owned by people of  
21 color and women are often relegated to  
22 secondary subcontract opportunities while  
23 the City claims it's meeting its M/WBE  
24 contracting goals. In the 2020 OEO  
25 Annual Report, there was only one, one

1           1/28/21 - STATED - SPEECHES

2   minority-owned business that made it into  
3   the top ten prime vendors list. Five of  
4   the remaining nine firms have fewer than  
5   10 percent of their total contract award  
6   given to an MBE firm. None of them  
7   reached 25 percent.

8           It doesn't matter how qualified  
9   a minority business is, how much  
10   education is attained, and how many  
11   certifications are earned. Minority  
12   businesses are relegated to the  
13   subcontractor position.

14           When I read a report that  
15   Dr. Stanford, after her heroic efforts,  
16   was asked to partner with Philly Fighting  
17   COVID, I was furious, furious,  
18   Mr. President. How dare you, how dare  
19   you ask the Black Doctors COVID-19  
20   Consortium, an organization run by  
21   Board-certified physicians and nurses,  
22   many of whom have been practicing  
23   medicine for longer than most of the  
24   Philly Fighting COVID team has been  
25   alive, to partner with Philly Fighting

1           1/28/21 - STATED - SPEECHES

2   COVID?

3           How dare you ask Dr. Stanford  
4   to be the face of your vaccination  
5   campaign, to use her name and her  
6   organization's name to convince people to  
7   participate in the vaccination program  
8   and not provide her with the resources  
9   and respect to set up a large-scale site  
10  like you did Philly Fighting COVID?

11           This can never happen again.  
12  That's why I'm standing together with our  
13  leadership team and our colleagues and  
14  Chair of our Public Health and Human  
15  Services Committee, Councilmember Cindy  
16  Bass, to demand answers on behalf of our  
17  constituents.

18           To the Administration, I say we  
19  are listening to what you say, but we are  
20  watching what you do. Your actions are  
21  the only thing that will lead us to  
22  believe you are actually taking the use  
23  of a racial and equity lens seriously.

24           And, finally, I want to  
25  apologize to my fellow Philadelphians. I

1           1/28/21 - STATED - SPEECHES

2    hope you will give the City an  
3    opportunity to regain your trust and give  
4    you the assurance you need to feel  
5    confident that the vaccine is safe and  
6    that we as your elected representatives  
7    have your health and safety as our very  
8    first priority.

9           Thank you, Mr. President.

10           COUNCIL PRESIDENT CLARKE:

11   Thank you so much, Councilwoman, for your  
12   fresh perspective that I'm sure a lot of  
13   people agree with. Thank you.

14           The Chair recognizes  
15   Councilwoman Parker next.

16           COUNCILWOMAN PARKER: Thank  
17   you, Mr. President.

18           To Councilwoman Katherine  
19   Gilmore Richardson, ditto.

20           You know, what she said, just  
21   like that, and we'll get there. But I  
22   want to start on a positive note,  
23   Mr. President. I want to start with a  
24   young gentleman who you had the foresight  
25   to bring into this body that our former

1           1/28/21 - STATED - SPEECHES

2   Treasurer and our former Budget Director,  
3   our former everything in this city in  
4   Sade, who worked in your office,  
5   Mr. President, she had the great honor  
6   and privilege of helping to mentor this  
7   young gentleman, but last night he sought  
8   to change the game as it relates to what  
9   we expect to come from Ivy League  
10  institutions, and that was we kicked off  
11  the Fels Spring Speaker Series  
12  Presentation with our very own -- I'm  
13  sorry, PFM. He's still ours -- Matt  
14  Stitt, and that the focus is on racial  
15  equity and social justice conversation,  
16  and I kicked it off last night. Leader  
17  McClinton, along with Whip Harris,  
18  they're going to be second, and our  
19  Appropriations Chair, Councilwoman Maria  
20  Quinones-Sanchez, is going to close it  
21  out.

22           There were over 200 people on  
23  the call last night from all walks of  
24  life, and we talked about racial equity.  
25  And, Mr. President, I want you to know, I

1           1/28/21 - STATED - SPEECHES

2    took a page out of your book and I made a  
3    call for interns, Mr. President, because  
4    I said y'all need to be using y'all  
5    intellectual prowess for good and we need  
6    y'all, so y'all come on in. So I want  
7    you to know we did say that.

8           The next thing I want to say is  
9    that it took me three days to watch it  
10   because it brought back some painful  
11   memories, and last year I remembered all  
12   of these academicians and do-gooders,  
13   many of whom I thought had nothing but  
14   goodwill in their hearts, advocate for  
15   safe injection sites in the City of  
16   Philadelphia and condemn those who said  
17   this is not what we need in Philadelphia.  
18   And for those people who had that  
19   perspective, they attempted to castigate  
20   them as NIMBYs who weren't being  
21   sensitive to the opioid crisis.

22           On today, I thank Netflix. I  
23   thank you, Netflix. If any of the execs  
24   pay attention what we do, we thank you  
25   for giving an opportunity for those who

1 1/28/21 - STATED - SPEECHES

2 created crack cocaine corruption and  
3 conspiracy that is now being aired on  
4 Netflix. For those of you who lived in  
5 Philadelphia through the '80s, you know  
6 how it ravaged our community. You know  
7 the lack of insensitivity that folks seem  
8 to have when they got tough on crime.  
9 You know about what happened overseas  
10 with our United States attempting to fund  
11 a war, and what one of those who  
12 participated in a documentary called  
13 Chemical Warfare that was actually  
14 engaged here in the states and  
15 particularly in the black community, for  
16 those of you who condemned people who  
17 said no, who saw their own families  
18 impacted by this, I want you to watch it.  
19 It took me three days, but some of you  
20 can probably do it in an hour and 15 or  
21 an hour and 20, but if you want to  
22 understand why the advocacy against it  
23 was so strong, you don't need a white  
24 paper to understand it. Listen to the  
25 people who lived through it. That's

1           1/28/21 - STATED - SPEECHES

2    that.

3           Next, my phone has been ringing  
4    since last night. I've had leaders of  
5    women's organizations across this city  
6    call me about some editorial. I haven't  
7    seen the editorial. I haven't read the  
8    editorial, but apparently the editorial  
9    says something about Commissioner  
10   Danielle Outlaw resigning and that she  
11   should resign, and leaders of these  
12   women's organizations were calling saying  
13   what can and should we do. I haven't  
14   read it, I need to say to all of them,  
15   because by the time I respond via text,  
16   it would be tomorrow. Let me read it,  
17   but you all should have a discussion  
18   about it. And while we are members of  
19   this City Council, the greatest thing you  
20   can do, right, is make sure that you let  
21   your voice be heard by communicating with  
22   whatever you read that you disagree with.  
23   If you affirm it, affirm it, but if you  
24   disagree with it, let your voice be  
25   heard, and obviously members of this

1           1/28/21 - STATED - SPEECHES

2       legislative body, they will do the same.

3           Finally, on fighting for COVID,  
4       there's not much more you can add to what  
5       Councilwoman Katherine Gilmore Richardson  
6       said, but, Councilwoman, I was here when  
7       Arlene Ackerman was at the School  
8       District and she was doing her best to  
9       diversify access to opportunity to make  
10      sure that minority firms had an  
11      opportunity to do business with the  
12      School District, and I remember how she  
13      was castigated. I know how folks have  
14      been castigated in this city when they  
15      have tried their best to assist minority  
16      developers in having access to the  
17      opportunity to do business in the City.

18           I want to ask these questions  
19      on the record. Councilwoman Bass as  
20      Chair of our Committee on Health and  
21      Human Services, I thank you, and Imma be  
22      Johnny-on-the-spot right there by your  
23      side as you lead this effort to find out  
24      what occurred, but I want to put this on  
25      the record now.

1           1/28/21 - STATED - SPEECHES

2           The Health Department disclosed  
3   this week that approximately 2,500  
4   vaccine doses went to the Black Doctors  
5   COVID-19 Consortium while 7,000 doses  
6   went to Philly Fighting COVID. Who made  
7   this decision and on what basis? And as  
8   Philadelphia struggles with COVID's  
9   disproportionate impact on black and  
10   brown communities, you should have an  
11   answer.

12           I want to know how did this  
13   unproven, unqualified group of  
14   non-healthcare-related young people get  
15   pushed to the front of the line of the  
16   vaccine distribution?

17           This is the most important one:  
18   Who advocated on their behalf?

19           I guess reporters when they're  
20   doing this, they do what we call a right  
21   to know, right? That's what they do, and  
22   I've seen it happen quite often. What's  
23   our lady name? She does our -- Mary, I  
24   think it is. Mary said, you got to  
25   learn, Cherelle. I know you're a

1           1/28/21 - STATED - SPEECHES

2   dinosaur, but you got to learn how to  
3   give me all of these things on your --  
4   the text messages on your phone and we  
5   got to give them.

6           The Administration does not  
7   have to wait for Councilmember Bass's  
8   hearing to send to City Council every  
9   e-mail that they received. Somebody put  
10   their name on the line. Somebody's  
11   credibility, somebody said, you should do  
12   this because I'm telling you they're  
13   credible. Somebody said it,  
14   Mr. President, and I want to know who it  
15   was. And let me tell you why. Because  
16   folks raised hell in the midst of this  
17   global pandemic, the civil and social  
18   unrest calling for an end to police  
19   brutality, what we witnessed that was  
20   wrong on I-76 with the use of teargas and  
21   rubber bullets, and people popped their  
22   fists in the air, and I remember hearing  
23   here in City Council when we were  
24   questioning the Administration, and my  
25   friend from Erie called who I used to

1           1/28/21 - STATED - SPEECHES

2    serve with, and he said, this seems like  
3    a Watergate hearing. Who gave the order  
4    to use the teargas? Who gave the order?

5           Well, I want to know, Mayor  
6    Kenney, Health Commissioner Farley. And  
7    you know I hold both of you in high  
8    esteem. Fauci, Levine, and Farley, you  
9    helped keep Philadelphia doing well and  
10   fighting against this, but I want to know  
11   who made the call. I want to know who  
12   put their credibility on the line. I  
13   want to know who said this is a green  
14   light, you should go. And I want to know  
15   who said this group had the credibility,  
16   had the academic credentials and this is  
17   what the City of Philadelphia should be  
18   doing.

19           You want me to tell you why,  
20   Mr. President? Because to some people,  
21   black lives matter when it's sexy, but  
22   usually when it comes to economic  
23   opportunity, all of the sudden that black  
24   lives matter thinking goes out the  
25   window.

1           1/28/21 - STATED - SPEECHES

2           Dr. Stanford, credible, doing  
3 the work, right? If there was an  
4 opportunity for any economic advancement,  
5 who do you think should have been  
6 deserving of it? It should have been  
7 her.

8           To all of the Fels students who  
9 were on the call last night who heard me  
10 tell you that my grandmother told me it  
11 wasn't enough to be proficient, that you  
12 are going to have to be better, and don't  
13 tell me it's not fair, Cherelle Parker,  
14 because life ain't fair. You can't walk  
15 in the door, simply know exactly what  
16 your counterpart knows. You've got to  
17 study harder, you better know it better,  
18 and you better be able to justify it.

19           And we're all human, right?  
20 And we all make mistakes. Lord knows I  
21 made my own, but in Washington, DC on  
22 January the 6th, we watched two systems  
23 of justice. You remember watching that  
24 African American Capitol police officer  
25 walking up the steps while the angry mob

1           1/28/21 - STATED - SPEECHES

2     and rioters were coming at him and his  
3     quick thinking to get them to go up the  
4     other way so they wouldn't go into the --  
5     guess what black people saw? If it was  
6     twisted, if it was a white officer and a  
7     mob had been black, they wouldn't have  
8     made it up the steps, because they would  
9     have gotten picked off one by one. They  
10    saw two systems of justice.

11           Philadelphia, we just showed  
12    the world that good things happen in  
13    Philadelphia. The nation's eyes were  
14    upon us when people castigated our city,  
15    but working with our commissioners, our  
16    residents came out in record numbers, and  
17    I'm telling you, I never peacocked as  
18    much as I did during the past election.  
19    I was proud to be a Philadelphian.

20           But now if we don't get the  
21    answers about this, we will affirm what  
22    you know who said when he told the world  
23    that bad things happen in Philadelphia.

24           Let good things happen in  
25    Philadelphia and tell the truth.

1 1/28/21 - STATED - SPEECHES

2 Thank you, Mr. President.

3 And, colleagues, I apologize to  
4 you. Imma stop apologizing for being  
5 lengthy. Y'all like my family. You  
6 know, they always say, well, listen, when  
7 she get started, you'd better wait,  
8 because she's going to keep talking until  
9 she's finished.

10 So that's just it, but I thank  
11 you all so very much for listening.

12 COUNCIL PRESIDENT CLARKE:

13 Thank you, Councilwoman. It's a good  
14 start to our new session. Appreciate you  
15 and appreciate your passion.

16 The Chair recognizes Councilman  
17 Johnson.

18 COUNCILMAN JOHNSON: Thank you,  
19 Council President. It looks good to see  
20 all of my colleagues back as we kick off  
21 this new year very passionately, fighting  
22 on behalf of those most in need, and so I  
23 just want to thank everybody for their  
24 passion and commitment to continue to  
25 move our City of Philadelphia forward.

1           1/28/21 - STATED - SPEECHES

2           I just have a brief statement  
3 and just want to thank all of my  
4 colleagues who signed onto a resolution  
5 calling on Mayor Kenney and the  
6 Administration to make Juneteenth an  
7 official holiday. I want to thank  
8 Councilman Curtis Jones, who worked with  
9 me on this issue, and I thank Mayor  
10 Kenney, who I talked to yesterday, and he  
11 signed an Executive Order to make  
12 Juneteenth an official holiday here in  
13 the City of Philadelphia.

14           I want to take a moment to  
15 acknowledge the advocates from the  
16 Juneteenth Coalition across the City of  
17 Philadelphia, who were going to do their  
18 own storming on City Hall had this issue  
19 not been addressed, and I want to take a  
20 moment to acknowledge Mr. Amir (ph)  
21 Staley, Supreme Dow, Kofi Asante, Ron  
22 Brown, Michael Rashid, Ali Salahuddin,  
23 Joe Certaine, and Michael Coard for  
24 staying on the case and advocating,  
25 because surely this is a holiday that is

1           1/28/21 - STATED - SPEECHES

2     deserving. It reflects not only African  
3     American culture, it reflects American  
4     history as well.

5           And so just thank you for all  
6     stepping up to the plate and being  
7     co-sponsors of the piece of legislation  
8     that we did not decide to move forward on  
9     based upon the Mayor moving forward and  
10    signing an Executive Order making  
11    Juneteenth an official holiday. And,  
12    again, I want to give a shout-out to  
13    Councilman Curtis Jones, who counseled  
14    with me. We talked about the  
15    technicalities around the resolution, and  
16    just want to personally say thank you,  
17    Councilman Curtis Jones, and thank you to  
18    all of my colleagues. Take care.

19           COUNCIL PRESIDENT CLARKE:

20    Thank you, Councilman.

21           The Chair recognizes Councilman  
22    Green.

23           COUNCILMAN GREEN: Thank you,  
24    Council President. It's good to hear the  
25    voice of passion in this body this

1 1/28/21 - STATED - SPEECHES

2 morning. I want to bring one quick  
3 aside. Due to the pandemic, so many  
4 different organizations that we typically  
5 use to do different events, especially  
6 our non-profit communities, could not  
7 have the events that they traditionally  
8 have to raise money. So many  
9 non-profits, both small and large, have  
10 been really financially strapped by this  
11 pandemic.

12 Many people in this body know I  
13 do a lot of advocacy in the disability  
14 community. One organization that I  
15 support very strongly is Special  
16 Olympics, and every year in December I  
17 challenge my colleagues to join me in the  
18 Polar Plunge, which we've done at Drexel  
19 University. This year they're not doing  
20 the Polar Plunge because of the pandemic  
21 and health and safety issues, but we're  
22 doing what's called the Polar Pop. And  
23 Councilmember Oh talked about my  
24 fraternity brother Ukee Washington who  
25 was unjustly maligned, but also on his

1           1/28/21 - STATED - SPEECHES

2       station CBS3 yesterday, they showed a  
3       video and the launch of the Polar Pop in  
4       Special Olympics, where they're having  
5       various individuals basically take a  
6       water balloon, fill it with cold water,  
7       and pop it on camera to support the  
8       Special Olympics in lieu of the Polar  
9       Plunge.

10               So like in previous years I've  
11       challenged my colleagues to do the Polar  
12       Plunge, I'm going to challenge them to do  
13       the Polar Pop with me on video. They can  
14       film it at their office or outside or  
15       somewhere, but I think it's important  
16       that we support the Special Olympics in  
17       their fundraising activity. And my  
18       office will send out information to  
19       members of Council. I look forward for  
20       you joining me in the Polar Pop and  
21       helping to support Special Olympics in  
22       their fundraising efforts. And it's due  
23       to the pandemic that Special Olympics has  
24       to transition from the Polar Plunge to  
25       the Polar Pop.

1           1/28/21 - STATED - SPEECHES

2           And it's because this pandemic  
3 has been something that none of us have  
4 ever seen, we're dealing with multiple  
5 crisis issues in our nation, in our  
6 state, and in our city, from the issues  
7 of economic crisis, and I'm trying to  
8 address that through my public bank  
9 issue; the civil unrest, which many  
10 colleagues have talked about today and  
11 have been talking about; the homicide  
12 rate that we have in our city; and the  
13 pandemic.

14           And so you heard the passion  
15 that was exhibited today. I share that  
16 passion and concern, because I have  
17 received so many calls regarding this  
18 issue, and what I'm going to say is that  
19 I'm hopeful that we can chew gum and walk  
20 at the same time. And just because  
21 people raise issues and critique and have  
22 a concern about what happened, this does  
23 not need to be a back and forth between  
24 the Administration and Council. "Well,  
25 there was a Public Health hearing and

1           1/28/21 - STATED - SPEECHES

2       Council should have taken additional  
3       advocacy in that hearing about this new  
4       organization," but, "well, Council does  
5       not execute contracts."

6           So my concern, and I hope we  
7       don't fall into the trap we traditionally  
8       do, is make this an executive branch  
9       versus legislative branch issue. We need  
10      to investigate and examine what happened,  
11      but we also need to work together to  
12      address this issue.

13          People are afraid. We have  
14      been in a vaccine and a pandemic for  
15      getting close to a year. People have  
16      lost loved ones. People have lost jobs.  
17      They've lost businesses.

18          So, yes, we can examine what  
19      happened and call out what should not  
20      have been done, and we need to do that,  
21      because people are afraid. People want  
22      to know how do I get this vaccination,  
23      but just because we're calling out for  
24      these issues and examining these issues  
25      doesn't mean we can't also work together

1 1/28/21 - STATED - SPEECHES

2 and address this issue and address how we  
3 get vaccines. And I understand it's been  
4 a slow process getting vaccines from the  
5 former administration, and we're speeding  
6 things up now, but just because we are  
7 raising these issues and have these  
8 concerns, we also need to make sure that  
9 we are getting the information to the  
10 public about what's going in vaccines.

11 So just like I can be very  
12 critical of Dr. Farley and others in  
13 reference to how Philly Fighting COVID  
14 has gotten these vaccines, I can also be  
15 supportive of them, because I learned  
16 information last week when I brought  
17 together members of the disability  
18 community because they had concerns about  
19 the vaccination process and we got some  
20 great information. Just like  
21 Councilmember Johnson just applauded the  
22 Administration in reference to  
23 Juneteenth, we also can raise issues and  
24 concerns in reference to a lack of  
25 economic development opportunities for

1           1/28/21 - STATED - SPEECHES

2   small businesses, especially businesses  
3   of color.

4           So I'm saying that in the  
5   spirit of the fact that we have a  
6   situation where people have legitimate  
7   fear, fear that their loved ones might  
8   transition, fear they may not have a job  
9   or a business or how their child is being  
10   left back in education.

11           So we're in a very challenging  
12   time right now, and we're not going to be  
13   perfect by any stretch of the  
14   imagination. I make errors every single  
15   day, because I'm human like all of us,  
16   and there's times that we try to do the  
17   best that we can with the information  
18   that we have, and we all acknowledge that  
19   because this pandemic is something that's  
20   unprecedented, but just because people  
21   raise concerns and issues about  
22   legitimate problems, that does not mean  
23   we cannot work together.

24           And so I'm just hopeful that as  
25   we come out of this conversation where we

1           1/28/21 - STATED - SPEECHES

2   thoroughly investigate who was  
3   responsible for this situation occurring,  
4   we're also going to work together to make  
5   sure that we can build trust back into  
6   our city. Because when people say the  
7   City is not working properly, they're not  
8   just saying that about the  
9   Administration. They're also saying that  
10   about City Council, because we're all the  
11   City.

12           And so I'm hopeful that as we  
13   go forward, just because we ask hard  
14   questions and want to hold people  
15   accountable for what may have occurred,  
16   we still need to work together going  
17   forward, because we all represent the  
18   City, and when someone says the City is  
19   not working, they're not just talking  
20   about the Administration, they're also  
21   talking about City Council. They're  
22   talking about the entire City of  
23   Philadelphia.

24           And so in that spirit, I hope  
25   we can move forward and work collectively

1           1/28/21 - STATED - SPEECHES

2   together, even though we have our  
3   specific roles and jobs to do, but we  
4   still can do it collectively and work  
5   forward, even though we ask the hard  
6   questions of each other.

7           Thank you, Council President.

8           COUNCIL PRESIDENT CLARKE:

9   Thank you so much, Councilman.

10          The Chair recognizes Councilman  
11   Domb.

12          COUNCILMAN DOMB: Thank you,  
13   Council President. And I wanted to  
14   recognize Deborah Diamond today for her  
15   work at Campus Philly. During her time  
16   as President, she really did an amazing  
17   job in helping every student who took  
18   classes in Philadelphia to consider at  
19   least living in our city, studying here,  
20   and working in our city and getting them  
21   jobs. So I appreciate that.

22          I also want to recognize  
23   Dr. Levine, which we recognized today.  
24   It's kind of amazing to see that our  
25   Health Secretary is now appointed to a

1 1/28/21 - STATED - SPEECHES

2 federal position by President Biden. I  
3 want to thank her for her tireless  
4 service to the state and especially this  
5 past year, and we wish her all, I guess,  
6 the very best in this new position. And  
7 it's also I think tremendous for us to  
8 acknowledge her years of advocacy on  
9 behalf of the LGBTQ community, and we  
10 should recognize that she will be the  
11 first openly transgender person to serve  
12 as a federal official in the United  
13 States, and her representation of the  
14 trans community on the federal level is  
15 really meaningful to the City of  
16 Philadelphia and around our country.

17 And, lastly, I want to join all  
18 my members in your comments about this  
19 vaccine and the rollout, and I will say  
20 that I know all of us are getting phone  
21 calls from everyone, and it's really an  
22 embarrassment and a disgrace of what's  
23 going on. And I will say that I think  
24 one of the other problems -- there's  
25 three issues here. One, we didn't do a

1           1/28/21 - STATED - SPEECHES

2   good job in the beginning, and as  
3   Councilmember Green said, we can do  
4   better, and as Councilmember Kathy  
5   Gilmore Richardson said, this is the  
6   number one issue.

7           But here's one of the questions  
8   that I have. We're told we're getting  
9   20,000 vaccines per week. Yet Allegheny  
10   County that has 360,000 fewer residents  
11   is getting 20,000 vaccines a week.  
12   That's not right. We need someone -- and  
13   I'll be happy to be the person or Council  
14   President or the Mayor or whatever. We  
15   need to fight for more vaccines for  
16   Philadelphians. We should be getting  
17   50,000 vaccines a week.

18           This is the number one issue.  
19   We need more vaccines. Then, of course,  
20   we need a plan on how to implement it.  
21   And I actually reached out to Congressman  
22   Brady two days ago and talked about an  
23   idea and a plan, and he worked on this  
24   with me, and we now have almost every  
25   major hospital in the City on board,

1           1/28/21 - STATED - SPEECHES

2    Temple, Penn, Einstein, Jefferson, Wills  
3    Eye, and I reached out to Dr. Ala  
4    Stanford, head of the Black Doctors  
5    COVID-19 Consortium. We think they  
6    should be the ones who are implementing  
7    this vaccine. And we have many parking  
8    lots across this city, including union  
9    parking lots, willing to cooperate and  
10   have like drive-through clinics, and  
11   we're going to present this idea and plan  
12   to the Health Commissioner.

13           This rollout should occur from  
14   the best hospitals and the Black  
15   Consortium doctors in the City and allow  
16   them to really take control of this.  
17   They're the experts.

18           So I look for that going  
19   forward and look for solutions. I will  
20   say that all the economic issues are tied  
21   to getting this vaccine into the hands of  
22   the residents of this city. Every person  
23   is calling all of us and saying, how do I  
24   get my vaccine, or I got the first shot,  
25   how do I get the second shot, and we're

1           1/28/21 - STATED - SPEECHES

2   not looking too good right now. So we  
3   need to step this up and really we need  
4   more vaccines in the City.

5           So thank you, Council  
6   President. I look forward to working on  
7   this.

8           COUNCIL PRESIDENT CLARKE:

9   Thank you, Councilman.

10           The Chair recognizes Councilman  
11   Thomas.

12           COUNCILMAN THOMAS: Thank you,  
13   Council President. I just want to, first  
14   of all, echo the sentiments of my  
15   colleagues and communicate some of the  
16   frustration that we've seen with the  
17   distribution of the vaccine. I'm not  
18   going to -- in the sports world, I'm not  
19   go to continue tell you you missed the  
20   lay-up. They know they missed the  
21   lay-up. They acknowledged it, and they  
22   know that this legislative body is going  
23   to hold them accountable.

24           I had the opportunity today to  
25   start my day at -- well, not physically

1           1/28/21 - STATED - SPEECHES

2   unfortunately but virtually with  
3   Northeast High School, and I just want to  
4   take a moment to recognize the students  
5   and the staff there. We were able to  
6   have a robust conversation as they were  
7   able to start their day with a Career  
8   Day, and I was able to have dialogue with  
9   them about politics, the political  
10   process, and the importance of them being  
11   engaged. And one of the immediate  
12   questions from the young people was, when  
13   will we be able to go back to school with  
14   a hybrid model for us, and I was able to  
15   tell them, listen, we want to hear from  
16   you. We want to hear from parents. We  
17   want to hear from children. We want to  
18   hear from teachers and administrators.  
19   We want to know what is it that you want  
20   to do and what is it that will make you  
21   feel most comfortable.

22           We know that we have a number  
23   of problems that we're facing in the City  
24   of Philadelphia, and when we look at a  
25   lot of these problems, our young people

1           1/28/21 - STATED - SPEECHES

2       are suffering often more than anybody.

3           It was spoke heavily about the  
4       Coronavirus crisis and the distribution  
5       of the vaccine. We have significant  
6       issues with our schools. We haven't even  
7       talked about the terror attack that took  
8       place last week and the fact that we have  
9       to assure that anybody involved in that  
10      activity is held accountable.

11           We have other issues as it  
12      relates to economics. I'm the Chair of  
13      Streets and Services. One of our biggest  
14      issues that did not get discussed last  
15      year was the number of fatalities from  
16      car accidents, the issues with  
17      hit-and-runs, and hopefully through some  
18      of the work we're doing with the Motor  
19      Vehicle Code legislation, we can look to  
20      address that issue.

21           And then with all that being  
22      said, and I'm pretty sure I missed a  
23      couple things, we have to also keep our  
24      eye on the prize as it relates to  
25      addressing this issue of gun violence.

1           1/28/21 - STATED - SPEECHES

2   And I believe that this Council, in  
3   collaboration with the right partners,  
4   can really put ourself in the position,  
5   whereas though right now we have more  
6   shootings this year than days that we  
7   have been in this actual calendar year,  
8   and I know my colleague Councilmember  
9   Johnson has not moved away from this  
10   issue, but today I plan to send my  
11   colleagues in Council as well as the  
12   Administration a document that hopefully  
13   we can talk about. This specifically  
14   speaks to the resolution that we all  
15   voted on and agreed upon as it relates to  
16   declaring gun violence a state of  
17   emergency, but specific action items as  
18   it relates to what should happen when we  
19   declare a state of emergency.

20           COVID has forced us to be  
21   innovative as it relates to everything we  
22   do and how we think about things, and  
23   when we declare a state of emergency as  
24   it relates to gun violence, we have to be  
25   innovative with that too. That doesn't

1           1/28/21 - STATED - SPEECHES

2   always just mean an increase in police  
3   and military presence or curfews for  
4   specific neighborhoods. We can be  
5   creative as it relates to how we address  
6   the problems that we're facing. We're  
7   forced to essentially do so.

8           And I think that's the thing  
9   that I really want to challenge all of us  
10   to do, is to be more creative and  
11   innovative as we look at the ills that we  
12   have as a municipality and brainstorm  
13   essentially how we address those  
14   solutions.

15           I'm excited for the start of  
16   the Council session. I've been able to  
17   work very hard with a lot of my  
18   colleagues to be able to put together  
19   some things that we know are going to be  
20   happening in the next couple weeks to  
21   give us some huge victories for our  
22   children, for those who are most in need,  
23   for those in a lot of different  
24   industries and sectors who feel like  
25   their voice hasn't been heard.

1           1/28/21 - STATED - SPEECHES

2           So I just want to say that I'm  
3 extremely optimistic as it relates to the  
4 number of problems that we have in our  
5 city and our ability to address those  
6 problems. Councilmember Derek Green said  
7 we have to walk and chew gum at the same  
8 time. I agree with that a hundred  
9 percent. We're often in a defense mode  
10 when it comes to unpredictable things  
11 that happen, but I think what I'm really  
12 trying to do is get the citizens of  
13 Philadelphia to know that we are -- we  
14 recognize that all of these problems  
15 exist and we're working on a consistent  
16 basis to try our best to be able to  
17 address these issues.

18           So I'm excited to be back,  
19 Council President. I'm excited to see  
20 and be able to work with my colleagues,  
21 and I really look forward to putting us  
22 in a position to be able to see what the  
23 other side of Philadelphia looks like and  
24 feels like after we battle and fight this  
25 Coronavirus over the next couple weeks.

1           1/28/21 - STATED - SPEECHES

2           I know I touched on a lot of  
3 points, but the last thing I want to put  
4 an emphasis on, because we're angry about  
5 a lot of things clearly and we know we  
6 have a lot of work to do, but there was a  
7 terror attack on our country last week  
8 and we understand that there were people  
9 who are paid by our taxpayers who were a  
10 part of that initiative, and a lot of  
11 things have happened -- I'm sorry; not  
12 last week, a couple weeks ago -- and a  
13 lot of things that happened since then,  
14 and this is our first Council session  
15 back since then, and we are going to make  
16 sure that we hold folks accountable,  
17 specifically those who are in law  
18 enforcement, who was a part of that  
19 unfortunate situation.

20           So thank you, Council  
21 President. I appreciate the opportunity,  
22 and colleagues. I'm happy to be back.

23           COUNCIL PRESIDENT CLARKE:

24 Thank you, Councilman. We got a lot of  
25 work to do. I concur.

1           1/28/21 - STATED - SPEECHES

2           The Chair recognizes  
3 Councilwoman Gauthier.

4           COUNCILWOMAN GAUTHIER: Thank  
5 you, Council President.

6           Good morning, colleagues, and  
7 good morning, everyone. I'm excited to  
8 be back in session with these passionate  
9 leaders of our city, and I'm honored to  
10 continue representing my neighbors in  
11 West and Southwest Philly.

12          The Freshman Four just  
13 celebrated our one-year anniversary in  
14 office earlier this month, and I think I  
15 can speak for all of us when I say we  
16 never could have imagined what this first  
17 year would have in store for us and for  
18 our city. But throughout all of the  
19 challenges and pain, all of the obstacles  
20 and uncertainty, my mission is the same  
21 as it was on day one. I want to bridge  
22 the gap between those who have and those  
23 who don't. I want to empower our  
24 citizens to have a voice in decisions  
25 that impact their communities, and I want

1           1/28/21 - STATED - SPEECHES

2   to ensure that our neighborhoods are  
3   diverse, accessible, and equitable for  
4   generations to come.

5           And I'm proud of what City  
6   Council accomplished last year.  
7   Councilmembers Gym, Brooks, and I  
8   sponsored the Emergency Housing  
9   Protection Act, which has kept thousands  
10   of our neighbors healthy and safe at home  
11   in the midst of this deadly pandemic.

12           In partnership with the  
13   Philadelphia Coalition for Affordable  
14   Communities, my colleagues and I secured  
15   \$20 million for the Housing Trust Fund,  
16   which will preserve affordable rental  
17   units across the City and create new  
18   ones.

19           And we advocated for public  
20   safety reform to bring peace to our  
21   communities and to build a foundation of  
22   trust between police and the  
23   neighborhoods they serve.

24           There are a variety of  
25   important issues on my radar as we head

1 1/28/21 - STATED - SPEECHES

2 into the new session. It's hard to  
3 overstate how important 2021 will be for  
4 the future of our city. What happens in  
5 the coming months will have a long-term  
6 impact on whether we are able to bounce  
7 back from this difficult chapter and  
8 whether that recovery is equitable.

9 Affordable housing will continue to be a  
10 central focus of my work.

11 We were experiencing a housing  
12 crisis even before COVID, and now these  
13 efforts are that much more urgent. A  
14 study we commissioned last year affirmed  
15 what members of our community already  
16 know too well, that affordable housing is  
17 increasingly out of reach for a growing  
18 proportion of our residents. And with  
19 that in mind, I am partnering with  
20 Seventh District Councilmember Maria  
21 Quinones-Sanchez, a longstanding champion  
22 of affordable neighborhoods, to introduce  
23 mandatory inclusionary zoning bills,  
24 which will apply to select tracts of both  
25 our districts.

1           1/28/21 - STATED - SPEECHES

2           Inclusionary zoning is a big  
3 piece of the puzzle when we talk about  
4 equitable development and would allow for  
5 the creation of new affordable units in  
6 the neighborhoods where new developments  
7 are built. This legislation will build  
8 off of the commitment Council has already  
9 shown to inclusionary zoning through the  
10 adoption of the mixed-income housing  
11 bonus.

12           Another major factor in our  
13 recovery will be to continue addressing  
14 the public health challenges presented by  
15 COVID and, most critically, to get people  
16 vaccinated. We have sadly already seen  
17 racial disparities begin to emerge in who  
18 is getting vaccinated and who is not.  
19 Right now with questions swirling about  
20 the rollout, many people are  
21 understandably feeling a lot of distrust.  
22 I want to do everything I can to empower  
23 my constituents with accurate information  
24 so they can make the best decisions for  
25 themselves and their families.

1           1/28/21 - STATED - SPEECHES

2           And I'll continue to push for  
3 more resources to address our escalating  
4 gun violence crisis, yet another public  
5 health crisis whose impact is felt most  
6 deeply in our black and brown  
7 communities. Four hundred and  
8 ninety-nine people lost their lives to  
9 gun violence in our city last year, and  
10 in the first 27 days of 2021, there have  
11 been 41 homicides. That's a 17 percent  
12 increase from last year, the second most  
13 violent year in our city's modern  
14 history.

15           This problem is not going to go  
16 away on its own. Too many neighborhoods  
17 in the Third District have turned into  
18 war zones. Too many people have been  
19 hurt and traumatized. So I'm going to  
20 continue advocating for more resources  
21 towards violence prevention and  
22 intervention, supports for victims and  
23 co-victims of shootings, and additional  
24 measures that would ensure that our  
25 city's response meets the level of

1           1/28/21 - STATED - SPEECHES

2   urgency and transparency that this  
3   emergency calls for.

4           I know how vital all of this  
5   work is, and I'm energized by the  
6   challenge ahead. Moments of upheaval are  
7   scary and difficult, but they're also  
8   opportunities to enact real and lasting  
9   change. I know this great body will take  
10   up that mantle this year and strive to  
11   deliver for all Philadelphians.

12           Thank you so much.

13           COUNCIL PRESIDENT CLARKE:

14   Thank you, Councilwoman. Thank you for  
15   your work.

16           The Chair recognizes Councilman  
17   Jones.

18           COUNCILMAN JONES: Thank you,  
19   Mr. President. A wise man said to me if  
20   17 people are in a room and they always  
21   agree, then 16 of them aren't necessary.  
22   So I relish the fact that we battle, we  
23   exchange ideas. We do it most of the  
24   time collegially, and we come up with the  
25   best product that we can compromise on by

1           1/28/21 - STATED - SPEECHES

2       way of legislation and public policy.

3           I want to thank you,

4       Mr. President, and your staff for working

5       with my staffer, Samantha Williams, on

6       the upcoming legislation on the Police

7       Civilian Oversight Commission, which will

8       be submitted next week but only after

9       your wisdom prevailed in having a wide

10      variety of people look at it, give their

11      input, from the Administration to the

12      FOP, from the Guardians, to Noble, to

13      POWER, who had a series of listening

14      sessions, and to the Defenders, to the

15      DA, for all of those eyes, all of that

16      input to come up with I think a product

17      that we could all stand behind. So I

18      want to thank you for that.

19           I want to also say that as we

20      move forward, it is important to note the

21      reason why we created the Commission was

22      not just to be a stand-alone kind of

23      reviewer of policy. It's important that

24      my colleague Member Johnson submitted the

25      no chokehold legislation. It's important

1           1/28/21 - STATED - SPEECHES

2     that my colleague, one of the Freshman  
3     Four, Ms. Gilmore, is evaluating Act 111.  
4     It is critical that we look at  
5     Philadelphia Police Department training  
6     so that we can know the proper way to  
7     approach and de-escalate, because all of  
8     these things will be what that Commission  
9     reviews to see if we got it right.

10           So I want to thank you all for  
11     that input, and I just want to  
12     acknowledge your anniversary, Freshman  
13     Four, and then say before that, I think  
14     there was a Freshman Four that was  
15     Johnson, Parker, Bass, and Squilla, and  
16     then the original freshmen, my colleague  
17     Maria Sanchez and Bill Green. So y'all  
18     following in some really good footsteps.

19           Thank you, Mr. President.

20           COUNCIL PRESIDENT CLARKE:

21     Thank you, Councilman. I can't remember  
22     the time when I was a freshman. Thank  
23     you.

24           The Chair recognizes  
25     Councilwoman Quinones-Sanchez.

1           1/28/21 - STATED - SPEECHES

2           COUNCILWOMAN SANCHEZ: I am  
3 going to be brief and take as long as I  
4 need, right? We heard that before.

5           Councilmember Parker, it's  
6 okay. You can take as long as you want.  
7 And I just want to echo and thank  
8 Councilmember Gilmore Richardson and  
9 yourself for highlighting these  
10 discrepancies.

11           When I watched on January 6th  
12 the insurrection in the Capitol and I  
13 spent most of the holiday season really  
14 trying to get in the mind of where we are  
15 as a country as it relates to this whole  
16 race discussion that we're having and the  
17 folks that were at the Capitol, we know  
18 who they are. They're all about hate,  
19 and Clinton called them deplorables.  
20 There's no way of us getting to some  
21 resolution with them, and we know that,  
22 because they told us who they are, they  
23 showed us who they are.

24           For me, the question is the  
25 other people who voted for Trump, the

1           1/28/21 - STATED - SPEECHES

2   other folks who watch white supremacy,  
3   who have privilege, who are all over  
4   government and everywhere else who say  
5   they're woke, say they're allies, but use  
6   their positions -- never been threatened,  
7   right? They've used their privilege,  
8   never been threatened, but when it comes  
9   to the opportunity to do right by black  
10  and brown people, they use their  
11  positions to block, and they are  
12  gatekeepers. There are gatekeepers in  
13  our government, and I know when we go  
14  through this investigation of what  
15  happened with this COVID, you're going to  
16  see people along the way, right, those  
17  folks in our systems, right, just the  
18  woman that was in our recruitment in the  
19  Police Department, who used their  
20  positions to block and stop progress.

21           I subscribe to all of my  
22  colleagues that these are the people we  
23  need to be concerned about, those who  
24  claim that they're woke, those who claim  
25  they understand, and continue to use

1           1/28/21 - STATED - SPEECHES

2    their privilege to stop real progress.

3    And I say this because I don't know how

4    we have those conversations without

5    people being really tense about it, and I

6    think those of us in these spaces need to

7    be unapologetic about making a whole lot

8    of people uncomfortable as we check

9    everyone and we check ourselves, right?

10           I have certain biases because

11   of my lived experience as an Afro-Latina

12   in Hunting Park. And you're right,

13   Parker, I watched family and friends get

14   arrested through the '80s, right,

15   everybody. That's now we dealt with a

16   drug crisis. And now as I try to

17   maneuver Kensington, people call me out

18   for lacking empathy, as if my lived

19   experience, right, is not valid, right?

20   They're reading books and using

21   Kensington as a pilot for policy,

22   unproven policy, and then I'm

23   insensitive, right?

24           So as we move forward and,

25   Council President Clarke, I know that in

1           1/28/21 - STATED - SPEECHES

2    this last year, we achieved a lot through  
3    your leadership. Hundreds of millions of  
4    dollars got to the people who need it.  
5    You heard Councilmember Gauthier talk  
6    about rental assistance and all the  
7    things we managed to do together and link  
8    policy with resources, because ultimately  
9    at the end, what is important is where we  
10   invest, right?

11           And this budget cycle, let us  
12   be unapologetic. I don't want to hear  
13   you have an equity lens and then you make  
14   the decisions that you make. I don't  
15   want to hear that gun violence is  
16   important and then we're not putting the  
17   resources that we need there. We  
18   really -- I was on WURD yesterday, and  
19   one of the listeners called in and he  
20   said, you know, City Council is majority  
21   minority. You have all these leaders.  
22   You guys can't take this anymore. You  
23   got to do better by the people. And we  
24   got to do better by the people, but we  
25   got to do it having tenseful

1           1/28/21 - STATED - SPEECHES

2   conversations and making people  
3   uncomfortable.

4           If you're in a policy position  
5   and you work for government and you  
6   receive taxpayer dollars, we will ask you  
7   whatever question it takes, and if you're  
8   uncomfortable and you don't want to  
9   respond and you don't feel like you want  
10   to be held accountable, then leave. But  
11   we are at a moment in time that we have  
12   to be as aggressive as possible around  
13   this issue.

14           So I'm ready for very tenseful  
15   conversations. I'm going to be  
16   unapologetic about my passion around this  
17   stuff, because my lived experience going  
18   from PHA, to being a lead baby, to my  
19   mother being on welfare, to her being  
20   able to get her first union job, to being  
21   the first in my household to go to  
22   college, my lived experience gives me the  
23   ability to say, no, these are not  
24   numbers, these are people. Let us not  
25   forget that we're not dealing with

1           1/28/21 - STATED - SPEECHES

2       numbers and statistics. We're dealing  
3       with people. And this pandemic just  
4       highlighted for us that it is life or  
5       death. It is life or death.

6           So how we reopen schools and  
7       how we make sure that kids are safe, how  
8       we support people, I think we really need  
9       to look at all of the structures and how  
10      hostile we are for people who are working  
11      and struggling every day, making tough  
12      decisions.

13          So I look -- and the reason I  
14      got into public service is because I  
15      believe that we're supposed to be  
16      facilitators and good stewards of the  
17      people's tax dollars. And over the next  
18      18 months, over the next few years, we're  
19      going to have to have really tenseful  
20      conversations. And I can tell you from  
21      the original squad, Councilman Jones,  
22      until now, everybody who has come into  
23      Council I respect. They're independently  
24      elected and they represent their  
25      constituency, but we've gotten a lot

1           1/28/21 - STATED - SPEECHES

2       done, but people want us to do more, and  
3       there's no better team that I want to do  
4       that with than the folks that are in this  
5       Council.

6           And I know, Council President,  
7       you always say this is the best Council  
8       in the world that people think a lot. I  
9       have a lot of respect for folks. I have  
10      a lot of respect for folks I disagree  
11      with as much as the folks that I do agree  
12      with, because part of working with people  
13      with diverse opinions is understanding  
14      their perspective and their lived  
15      experience, and that's what gets us to be  
16      successful. So working together means  
17      you're going to respect where I am,  
18      whether you agree with me or not.

19           And so for the executive, the  
20      legislative, and the judicial branch,  
21      because I think one of the challenges as  
22      we talk about public safety, and  
23      Councilmember Johnson has highlighted  
24      this, the courts have to be on board.  
25      Everybody who works for taxpayers has to

1           1/28/21 - STATED - ADJOURNMENT

2       be on board or they need to get out the  
3       way. So I'm ready to get to work.

4           Thank you, Mr. President.

5           COUNCIL PRESIDENT CLARKE:

6       Thank you, Councilwoman. We're all ready  
7       to rock and roll in 2021.

8           So I want to thank you all for  
9       your continued commitment. We do this  
10      because we are privileged to have this  
11      opportunity and it means so much to us,  
12      and that's why we want to make sure we do  
13      right by the people of the City of  
14      Philadelphia.

15           And with that, I'd like to  
16      recognize Councilman Jones for a motion  
17      to adjourn.

18           COUNCILMAN JONES: Thank you,  
19      Mr. President. I move that Council stand  
20      adjourned until Thursday, February 4th,  
21      2021 at 10:00 a.m.

22           (Duly seconded.)

23           COUNCIL PRESIDENT CLARKE:

24      Thank you. It has been moved and  
25      seconded that Council stand adjourned

1           1/28/21 - STATED - ADJOURNMENT  
2   until Thursday, February 4, 2021, 10:00  
3   a.m.

4                   All in favor will indicate by  
5   saying aye.

6                   (Aye.)

7                   COUNCIL PRESIDENT CLARKE: All  
8   talked out? All right.

9                   Those opposed?

10                  (No response.)

11                  COUNCIL PRESIDENT CLARKE: The  
12   eyes have it. The motion carries.

13                  Thank you all, folks, very  
14   much, and please continue to be safe out  
15   there. Thank you.

17   11:57 a.m.)
