9 RESOLUTION 040729 - Resolution authorizing
City Council's Committee on Public Safety to
10 hold a public hearing to investigate current
policies and procedures followed by the City
11 of Philadelphia's Police Department, when
purchasing and assigning police vehicles.
12 This comes in light of the apparent
negligent oversight of city resources that
13 left twenty police vehicles sitting in a
parking lot, for over six months "collecting
14 dust instead of patrolling our
neighborhoods," before being deployed.
