Goals & Guardrails

Board Member Danzy introduced and facilitated the Board's Goals and Guardrails monitoring session to review progress on Reading Goals 1 & 2: Goal 1: The percentage of students in grades 3-8 who are proficient on the state ELA assessment will grow from 35.7% in August 2019 to 65.0% by August 2026 and Goal 2: The percentage of 3rd grade students who are proficient on the state ELA assessment will grow from 32.5% in August 2019 to 62.0% by August 2026. Board Member Danzy noted that the Board expects the District to tell a story with the data, presenting a clear picture of (1) where we were (2) where we are now (3) and where we're going.
Dr. Watlington invited Shavon Savage, Deputy Superintendent of Academic Service and Dr. Tonya Wolford, Chief of Evaluation, Research, and Accountability to provide the staff report. Deputy Savage and Dr. Wolford provided an overview of Reading Goals 1 & 2 highlighting leading indicators that examine the percentage of students in grades K - 8 who score at or above grade-level on the District's within-year reading assessment (Star) in Fall, Winter, and Spring each year. Dr. Wolford provided an overview of why Readings Goals 1 & 2 are critical to student achievement and success noting that research supports the focus on reading for students in the younger grades. Dr. Wolford also shared an overview of the STAR assessment data that is utilized to help track Reading Goals 1 & 2. Dr. Wolford also reviewed the two types of STAR assessments highlighting strategies utilized by teachers

Following Dr. Watlington and team's presentation, the Board engaged in a discussion and question and answer period. Vice President Fix-Lopez stated that the Board has accepted the Superintendent's report

on the progress towards Reading Goals 1 & 2 and summarized the District's report on Reading Goals 1 & 2 which suggest that trends toward progress are going in the right direction based upon the STAR assessment data across all racial demographics which matches national trends. Additionally, Vice President Fix-Lopez highlighted key takeaways from the staff presentation which included asking the superintendent to evaluate the current budget formula through an equity lens to allocate funds to better support actual needs including an academic coach in every school.
